

WHAT IS HIGH FIDELITY WRAPAROUND?

High Fidelity Wraparound is an Intensive Care Coordination process that assists families with high risk needs.

WHAT A PROVIDER CAN EXPECT:

Team & Community-Based Approach:

- ✓ Collaboration across systems/services and Integration of goals to develop one plan to support the family in meeting their vision.

Strengths-based and Family Driven Process: Families strengths are identified and used to support them in meeting their prioritized needs. We look to the family as the priority decision makers.

- ✓

Outcome-based: Help youth remain with their families and in their communities.

- ✓

Foster a Network of Support: Support the family in developing long lasting, naturally supportive relationships. Help families develop skills to independently navigate services in the future.
